

Press Release

EVISO AND COOPERATIVE CREDIT BANK OF CHERASCO SIGN AN AGREEMENT TO OFFER ADVANCED ENERGY SOLUTIONS TO MEMBERS AND DOMESTIC CUSTOMERS

Saluzzo (CN), 12 September 2024 – eVISO S.p.A. (simbolo: EVISO) – COMMOD-TECH company, listed on the EGM, with a proprietary artificial intelligence infrastructure that operates in the raw materials sector (electricity, gas, apples) – announces an important collaboration with Cooperative Credit Bank of Cherasco (“Bank of Cherasco”). This agreement aims to offer electricity and gas services in the direct segment to Bank of Cherasco customers and Members, further strengthening eVISO's innovative and customized solutions.

The agreement with Bank of Cherasco, a leading banking institution in the Piedmont and Liguria region with 26 branches, will allow eVISO to expand its market by including a new type of customer, consisting of domestic users, who until now have been little reached through the direct channel traditionally oriented towards small-medium enterprises. Through this collaboration, eVISO will be able to offer its advanced solutions for the supply of electricity and gas to a wider audience, benefiting from the branch network of an important Piedmont and Liguria banking institution.

In particular, Bank of Cherasco members and customers will be able to access exclusive offers with advantageous economic conditions, customized to optimize energy consumption and reduce costs. They will also be able to take advantage of specialized energy consultancy, dedicated support for optimizing consumption and reducing environmental impact, and innovative technological solutions, such as real-time consumption monitoring and the use of artificial intelligence.

Lucia Fracassi, General Manager of eVISO, commented: *“We are excited to announce our collaboration with Banca di Credito Cooperativo di Cherasco, a fundamental step in our growth and innovation. This agreement allows us to better meet the needs of Banca di Cherasco Members and customers with competitive offers that can protect consumers from the end of the protected market. In this scenario, we are proud to work together to offer solutions that optimize consumption and reduce costs, thus contributing to a more sustainable and advantageous energy future for all.”*

Marco Carelli, General Manager of Banca di Cherasco added: *“The agreement with an important company, which was founded in Saluzzo in 2012 and operates throughout Italy, allows us to consolidate the relationship with the territory, as well as providing our Members and customers with a sustainable and innovative service that is increasingly in demand today. The widespread presence of Banca di Cherasco in the provinces of Cuneo, Turin and Genoa is the added value that has allowed us to reach this important agreement.”*

About eVISO

eVISO is a COMMOD-TECH that has developed an artificial intelligence platform that creates value in the raw materials market, currently 3: power, gas and fresh apples. In the power segment, eVISO provides power-tech services (technology and electricity) in Italy along the entire value chain: through the direct channel (B2B and B2C), to other operators in the electricity market (B2B2C) and also upstream to producers of renewable energy throughout the Italian territory. In the direct channel, eVISO serves approximately 20,000 users: small and medium enterprises (SMEs), farms, shops and restaurants in Low Voltage and Medium Voltage. In the indirect channel (B2B2C), eVISO serves over 100 competitors and almost 400,000 users throughout Italy.
