About eVISO

eVISO is a technology company that has developed a proprietary artificial intelligence platform that creates value in the commodities market. In the power and gas segment, eVISO operates across the entire energy value chain. Through its direct channel, eVISO serves more than 39,000 collection points across electricity and gas—small and medium-sized enterprises (SMEs), agricultural businesses, retail stores, and restaurants—via its sales network, agency channel, retail channel, and digital channel. The company also operates upstream by providing dedicated services to renewable energy producers throughout Italy. Through its reseller channel, eVISO serves more than 100 partner energy suppliers, supporting their commercial growth and operational management.
