This press release is available in the Investor Relations section of the website www.eviso.ai. For the transmission of Regulated Information, the Company uses the EMARKET SDIR dissemination system available at www.emarketstorage.com, managed by Teleborsa S.r.l. – with headquarters Piazza di Priscilla, 4 – Rome – following the authorization and CONSOB resolutions n. 22517 and 22518 of 23 November 2022.

eVISO is a technology company that has developed a proprietary artificial intelligence platform that creates value in the commodities market, specifically in the electricity, natural gas, and fruit sectors.

In the electricity and natural gas segment, eVISO operates across the entire energy value chain. Through its direct channel, eVISO serves approximately 32,000 customers—including small and medium-sized enterprises (SMEs), agricultural businesses, retail stores, and restaurants—via its sales network, agency channel, and retail channel. The company also operates upstream by providing dedicated services to renewable energy producers throughout Italy.

Through its reseller channel, eVISO serves more than 100 partner energy suppliers, supporting their commercial growth and operational management.
