

## Press Release

### **EVISO: THE NUMBER OF SHAREHOLDERS EXCEEDS 1,600, WITH INVESTORS FROM OVER 20 COUNTRIES AROUND THE WORLD, FROM GERMANY TO AUSTRALIA**

**Saluzzo (CN), 28 January 2026 – eVISO S.p.A. (symbol: EVISO)** – technology company, listed on the EGM, operating in the electricity, gas and fruit sectors announces that, following an analysis of its shareholding structure after the dividend was detached, the number of shareholders in the Company has exceeded 1,600<sup>1</sup>.

Specifically, **retail investors** account for approximately **1.5%** of the share capital, while **institutional and professional investors** – approximately 70, of which 43 are international – hold approximately **18.7%**. This composition helps to support the liquidity of the stock and strengthen its stability.

The shareholder base is highly diversified geographically: **the free float**, equal to approximately **20.2%** of the share capital, includes investors from over 20 countries, including Germany, the United Kingdom, the United States, Switzerland, France, Luxembourg, Portugal, Australia, and Belgium. This figure reflects the growing international interest in the Company.

Shareholders include the most prestigious international pension funds, savings funds, and asset managers, confirming the Company's position as a leader in the sector and the confidence of the most demanding investors in its business model and growth prospects.

Finally, it should be noted that in **November 2025**, the **Chief Executive Officer and Chairman of the Board of Directors, Gianfranco Sorasio**, increased his stake in the share capital and now holds a total stake of **57.1% of the share capital with 68.14% of the voting rights**.

**Lucia Fracassi, CEO of eVISO, commented:** *"The expansion and internationalization of eVISO's shareholder base represents a key step in the company's growth. The presence of investors from over 20 countries strengthens the solidity of the shareholder base and contributes to building an increasingly stable, diversified, and long-term-oriented ownership structure. For eVISO, this means creating the conditions to support long-term growth on an international scale, with an investor base capable of accompanying the company's development in the next stages of expansion".*

**Gianfranco Sorasio, CEO and Chariman of the Board of Directors of eVISO, commented:** *"Exceeding the threshold of 1,600 shareholders confirms the market's growing interest in eVISO's business model. The presence of approximately 70 institutional and professional investors—43 of which are international—demonstrates how eVISO is perceived as a credible and competitive entity, capable of attracting qualified capital in the main global markets".*

**About eVISO**

*eVISO is a technology company that has developed an artificial intelligence platform that creates value in the raw materials market, currently 3: power, gas and fruit sectors. In the power segment, eVISO provides power-tech services (technology and electricity) in Italy along the entire value chain: through the direct channel (B2B and B2C), to other operators in the electricity market (B2B2C) and also upstream to producers of renewable energy throughout the Italian territory. In the direct channel, eVISO serves approximately 20,000 users: small and medium enterprises (SMEs), farms, shops and restaurants in Low Voltage and Medium Voltage. In the indirect channel (B2B2C), eVISO serves over 100 competitors and almost 500,000 users throughout Italy.*
